Subject: Notice of File Closure and Release of Reclamation Surety, Brown Brothers Construction, Big Thompson Pit, S/017/047, Garfield County, Utah

Dear Mr. Brown:

The permit for the Big Thompson Pit, E/017/0047, located in Garfield County, Utah, will now be closed and the file retired.

On May 5, 2009, the Division and the BLM conducted a routine inspection on the site. On August 10, 2009, the Division received concurrence from SITLA that they agree with the file closure and release of the surety.

We have authorized a release of your Letter of Credit for \$3,000.00, and we are returning your original reclamation contract to you for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at these sites. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit new notices to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5363. Thank you for your cooperation and patience.

Sincerely,

Paul B. Baker  
Minerals Program Manager
